The Kaleidoscope

64

Hopewell is a wonderful blend of the old and the new. Its historic roots go back to 1607, a week before the settlement of Jamestown.

A small party under Captain Christopher Newport was sent up the James River to explore, while the three ships were anchored near Hog Island. He landed at the Indian village of Apamatica, located on the bluff at the confluence of the Appomattox and the James.

Captain Newport, when he returned, urged that this site be selected for the permanent settlement and the land be purchased from the Indians. The Council decided otherwise, because of orders from the London Company, so they selected a site which they called Jamestown.

Old City Point, which is now a part of the City of Hopewell, was founded by Governor Sir Thomas Dale in 1613. Situated at the juncture of the James and Appomattox Rivers, City Point is the oldest English settlement in America that has been continuously occupied and played a prominent part in the history of the Colony, during the Revolution and in the Civil War.

The City Point area was so important in the early days that it had two representatives to the first Legislative Assembly ever held in America in 1619. They were Samuel Jordan and Samuel Sharp.

The first free school in America was projected at City Point in 1621, but was wiped out in the Indian Massacre of March, 1622. The first court set up outside of Jamestown was established at City Point in 1624. The oldest English Church still standing in America was built within five miles of City Point. It is Merchants Hope Church, finished in 1657. Standing serenely amid tall primeval pines, the exterior is the same today as it was 250 years ago.

Foreword

A Kaleidoscope is that intriguing toy made of sparkling bits of glass and mirrors that reflect its continually changing patterns into enchanting designs. We, the staff of your 1964 Kaleidoscope, would like for this year's book to be exactly what its name implies—a pictorial record of memorable high school days. We present this edition of The Kaleidoscope with a wish that it will reflect pleasant memories in your hearts forever.

Features

The picture of the "Good Ship Hopewell" which appears on the cover of our yearbook launches us into our Kaleidoscopic journey from the past to the future. It symbolizes a heritage of which we may be proud. Our city has weathered the storms of the past to emerge into the present with a perseverance to carry us far into the future. Our pride in Hopewell High School is spotlighted by the features.

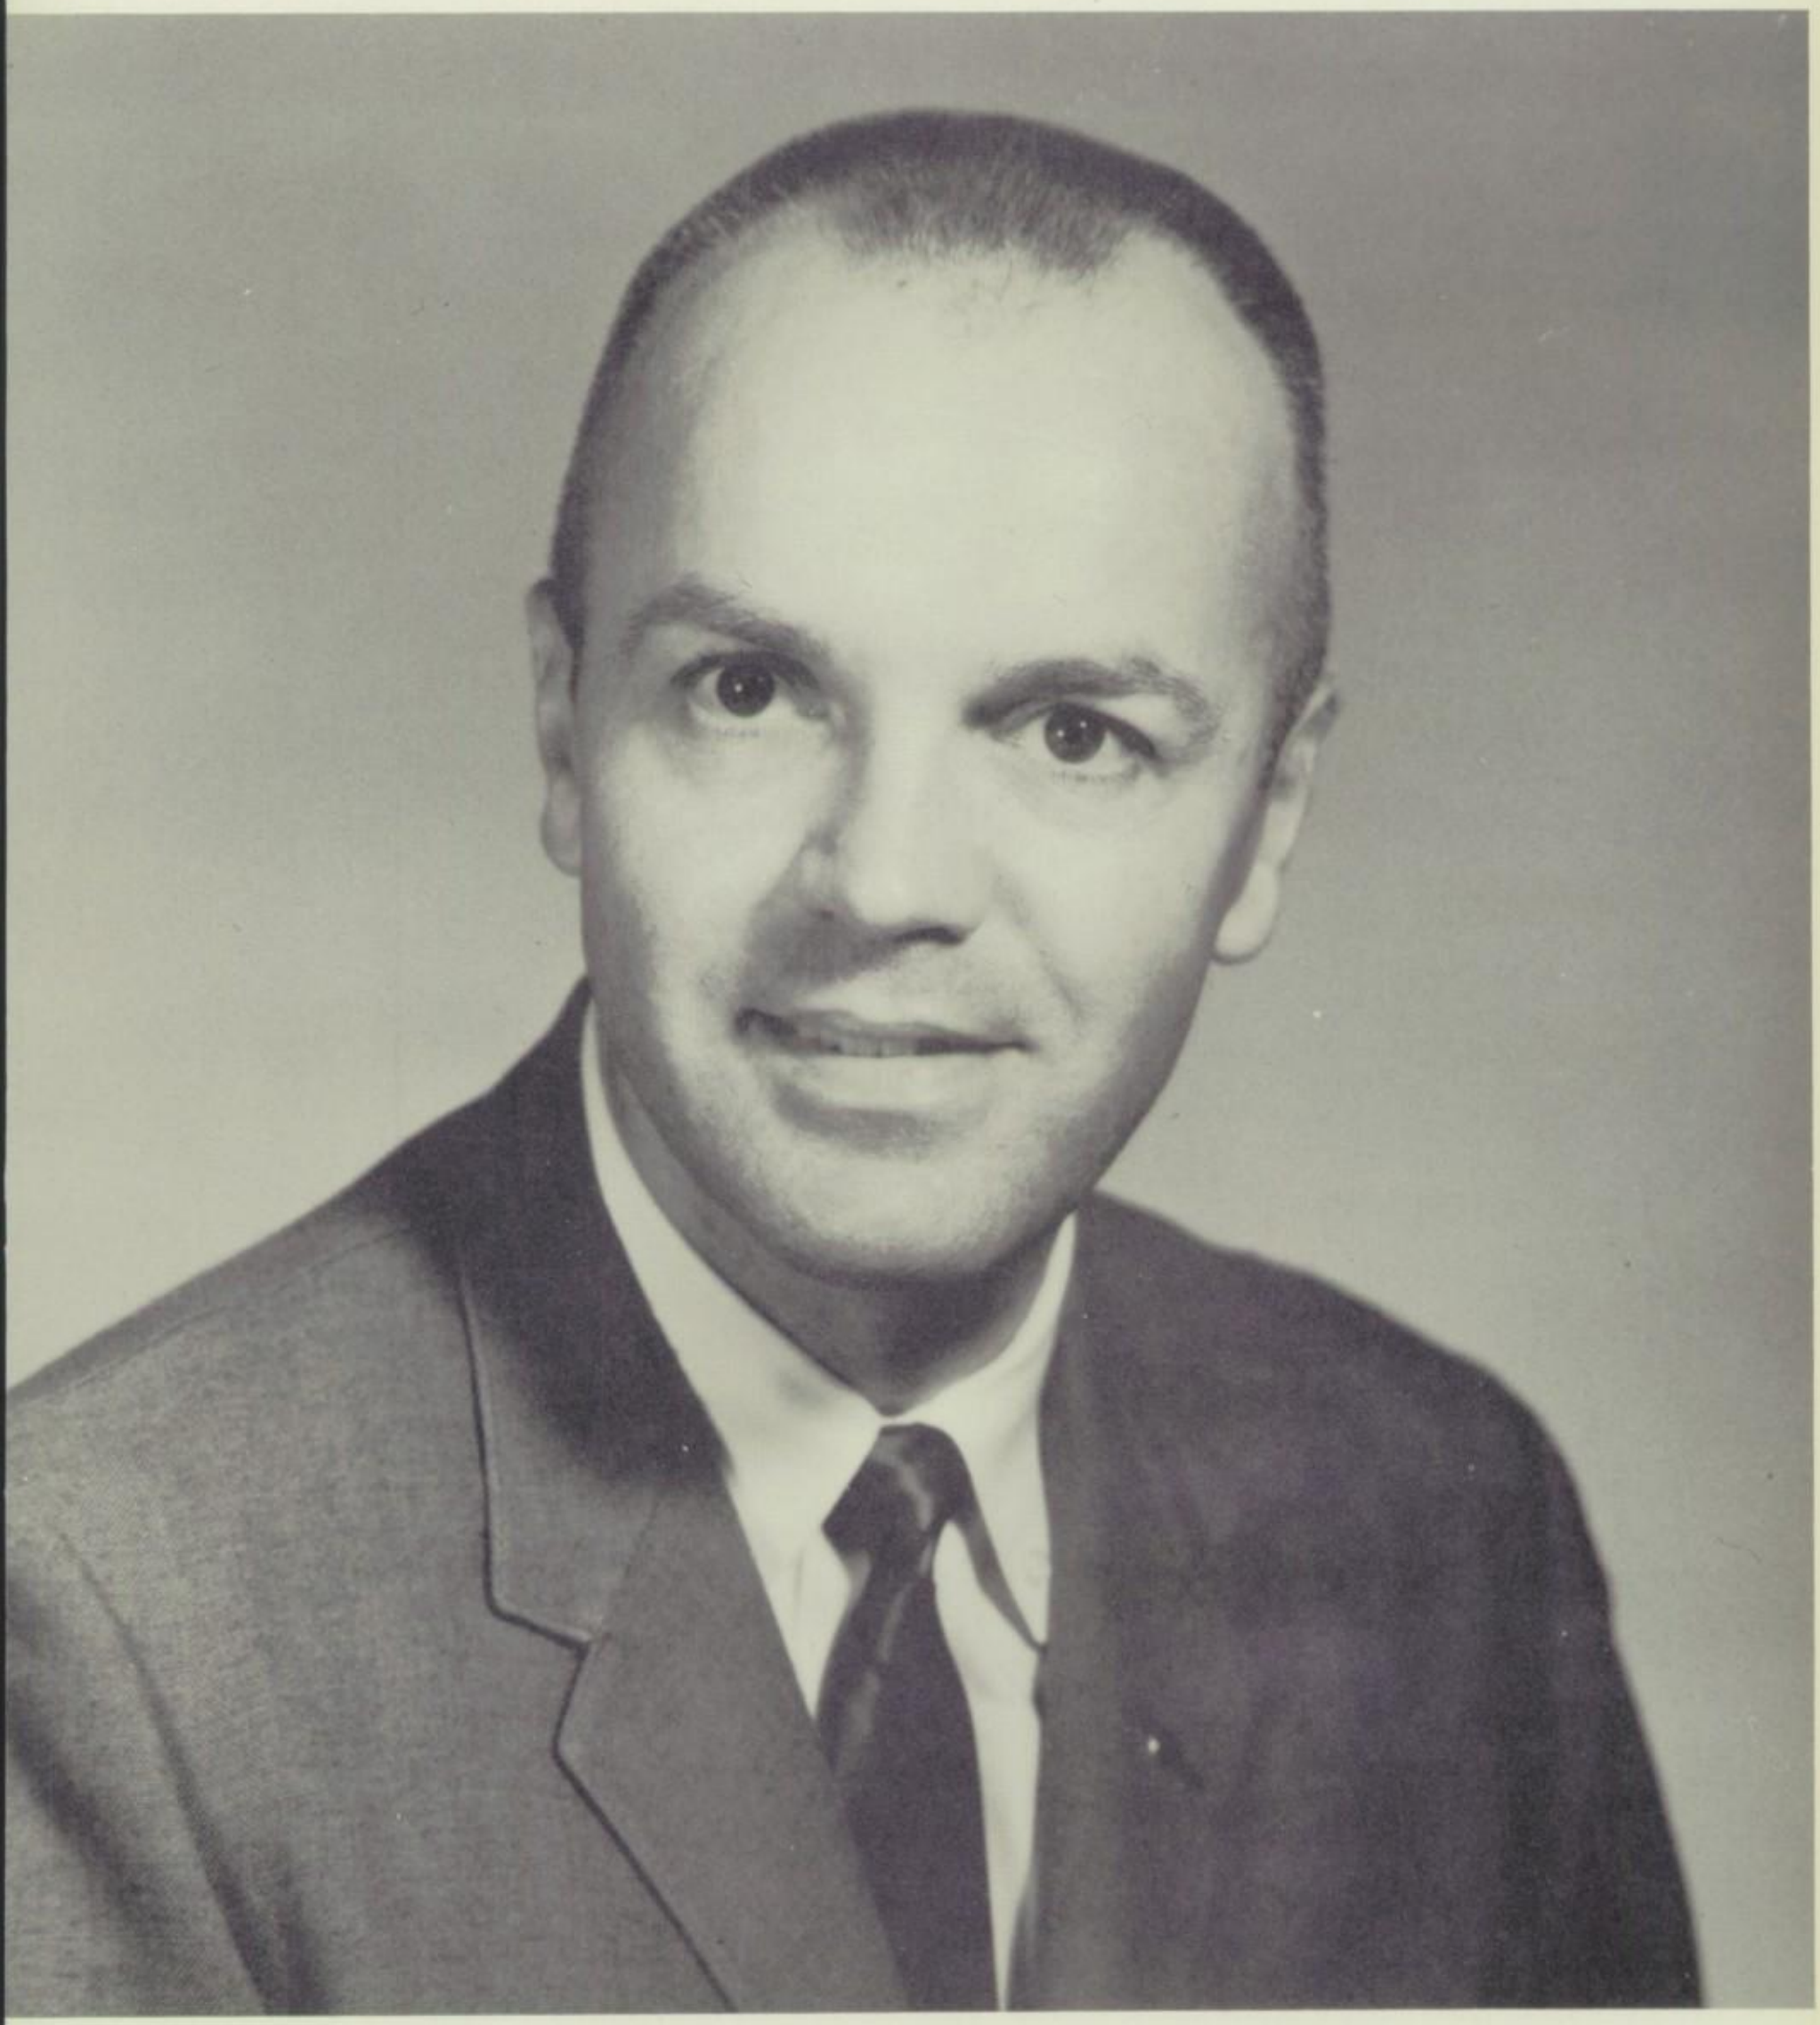
Mrs. Helen Agrella

To one who has always put her complete faith and trust in us, who has unselfishly devoted much of her life to the inspiration of youth, who supported and guided us in times of indecision; we the Senior Class, dedicate with honor and affection, our 1964 Kaleidoscope to Mrs. Helen Agrella.



Mr. Jerrell Sober

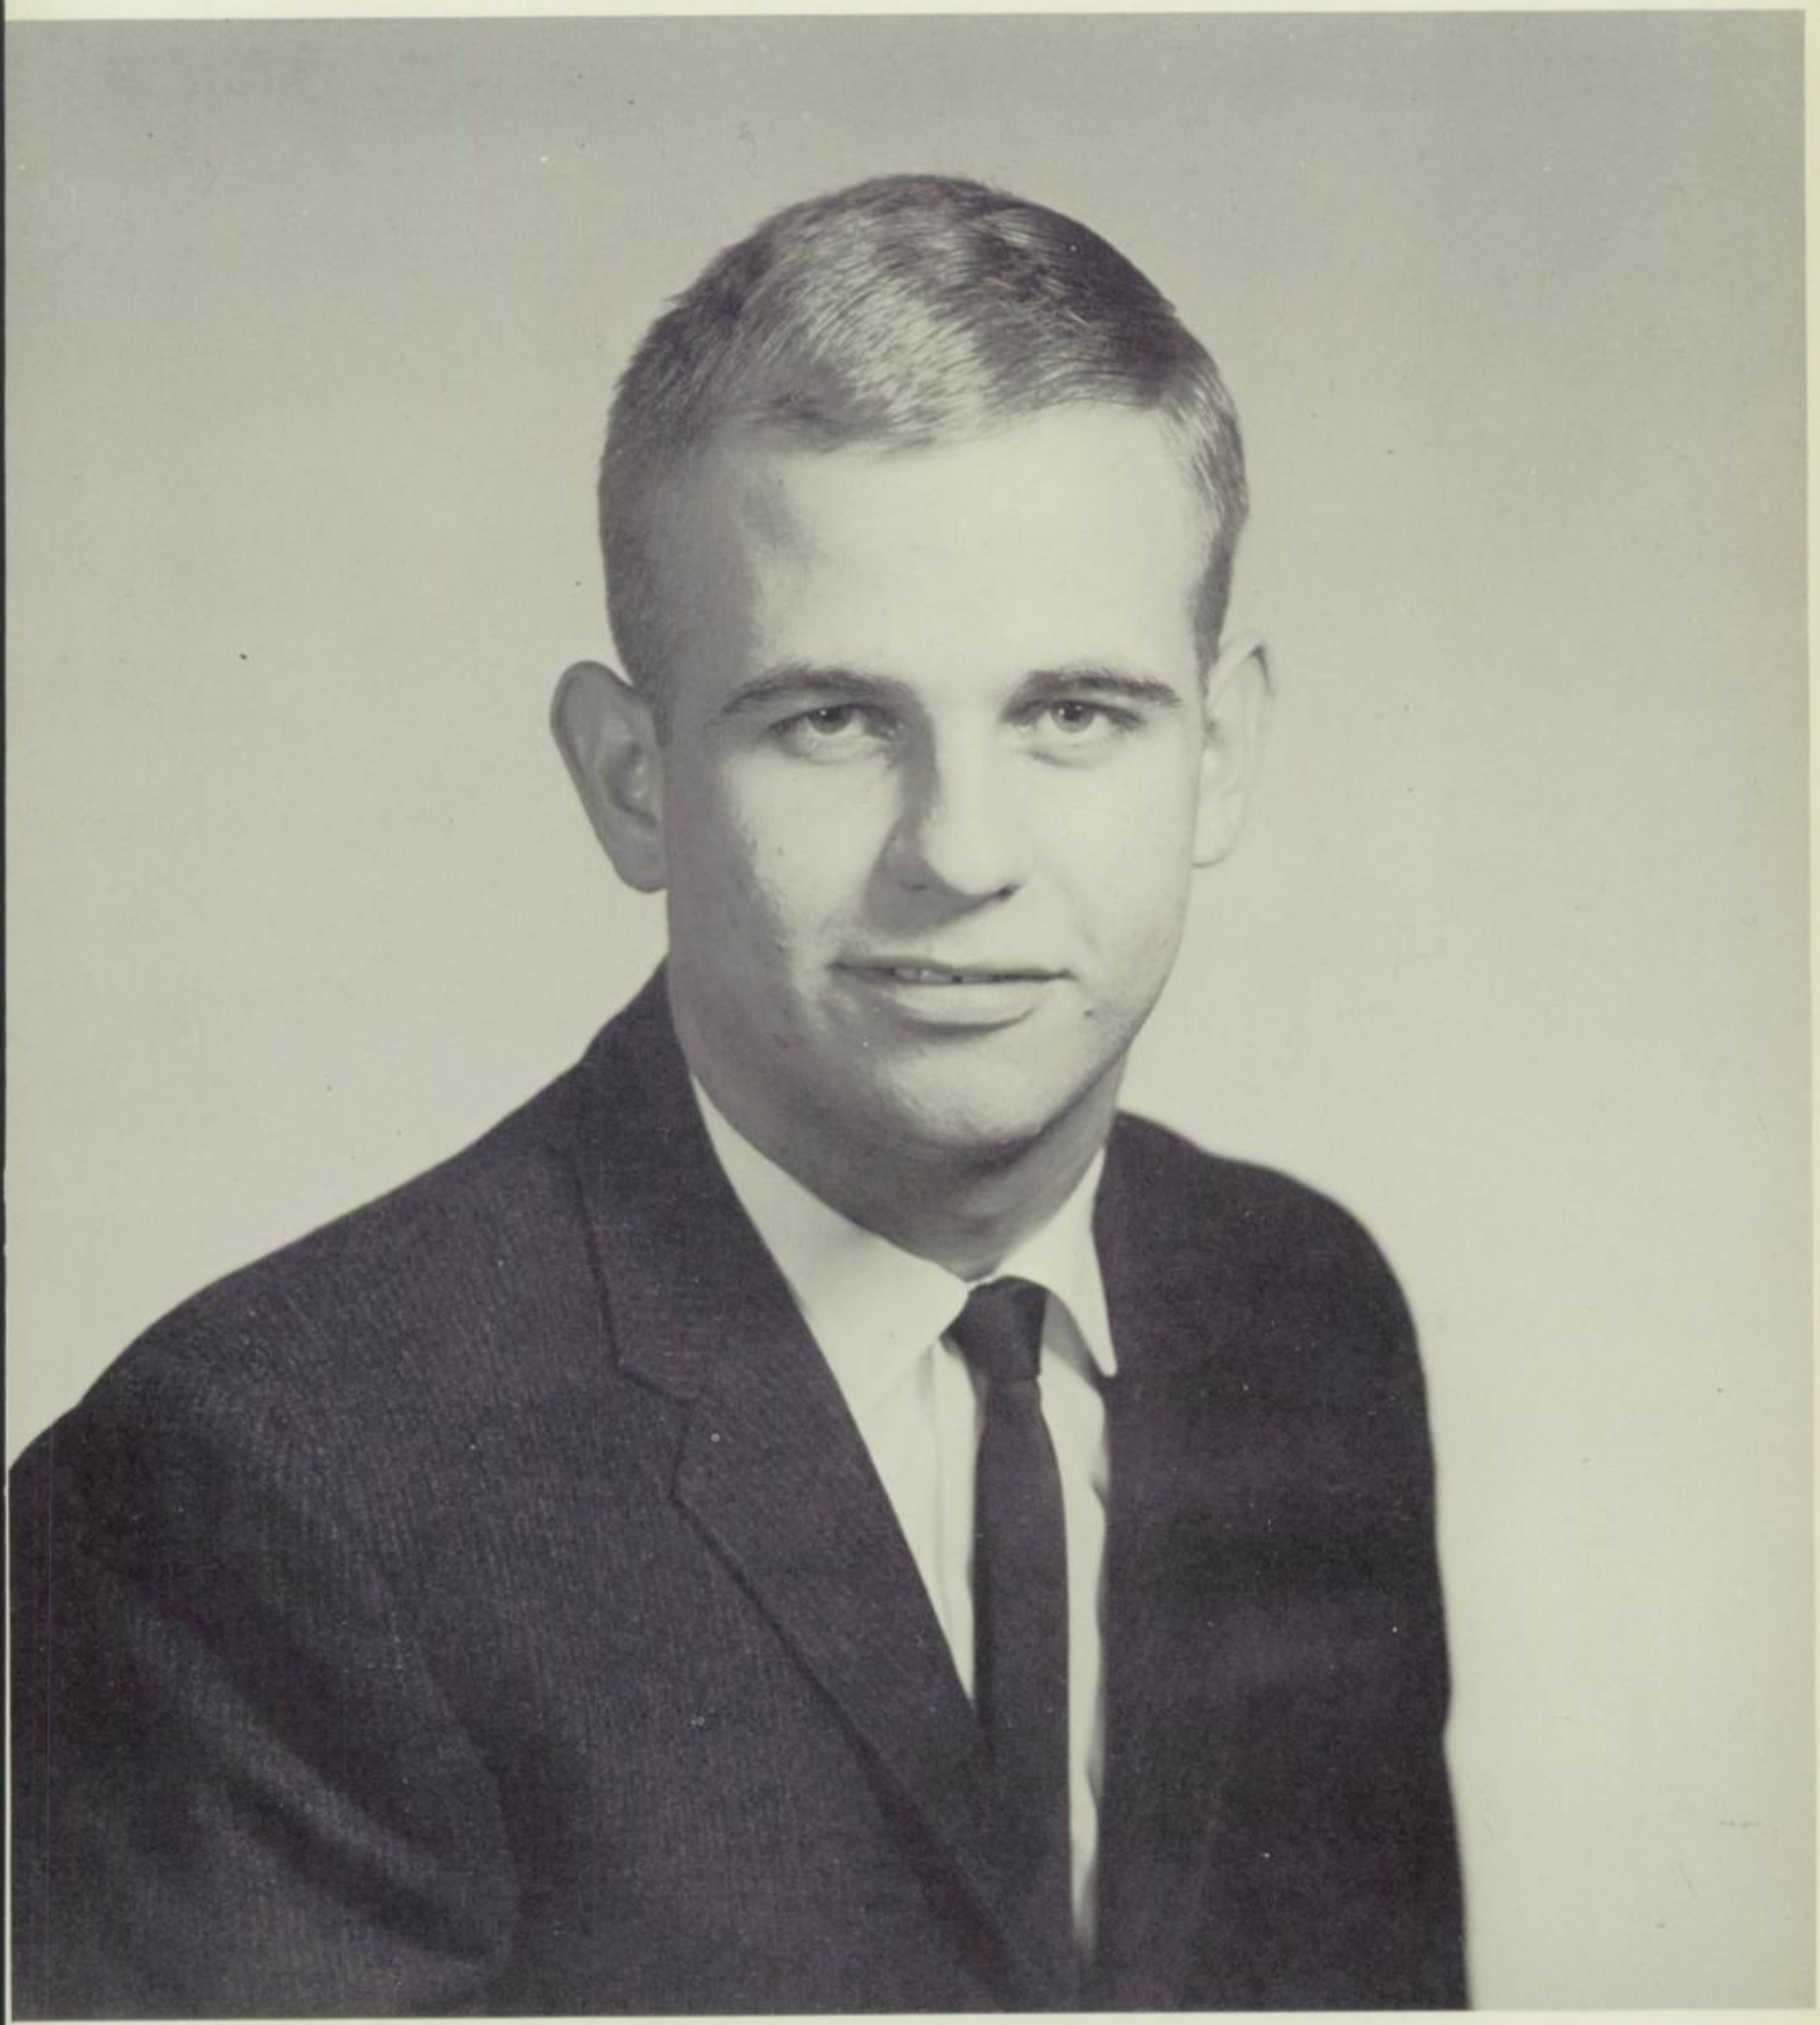
To one who has patiently listened to and helped us with our problems, who has strived to make us into better citizens, and who will be remembered for his expressive teaching and delightful sense of humor; we the Senior Class, in admiration and gratitude, dedicate our 1964 Kaleidoscope to Mr. Jerrell Sober.

Miss Kaleidoscope

Miss Katherine Gravelle Burge

One of the most coveted honors for a girl at Hopewell High School is to be chosen Miss Kaleidoscope. Each year two candidates are nominated from each senior homeroom and voted upon on the basis of personality, character and scholarship.

Mr. Kaleidoscope



Mr. James Earl Slagle

Mr. Kaleidoscope, a new feature in this year's annual, is undoubtedly the highest honor to be bestowed upon a senior boy. He was chosen for his leadership, outstanding qualities and service, by the entire senior class.

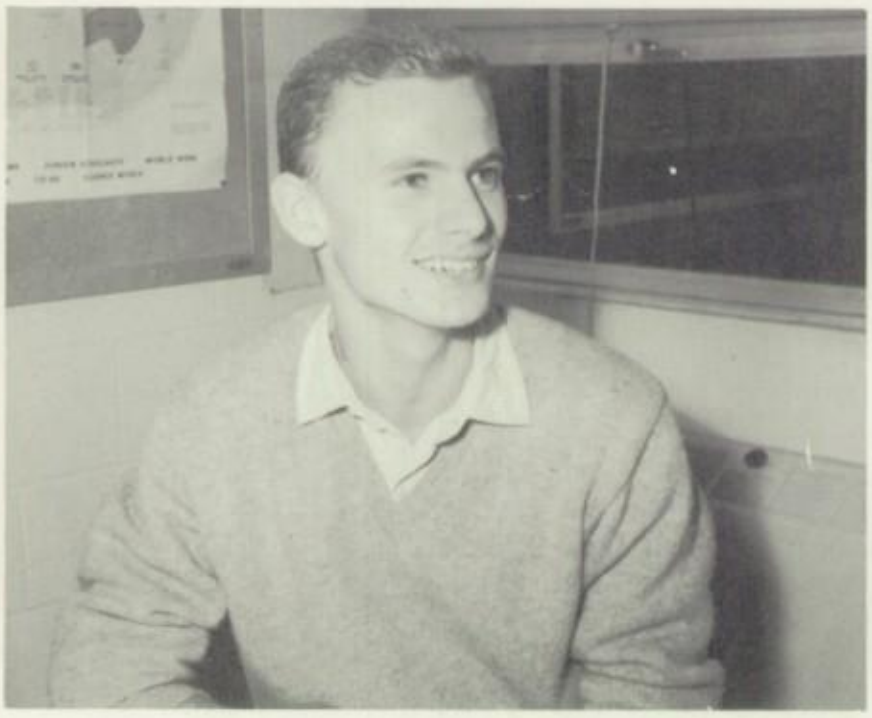
Our Alma Mater

"In the heart of Hopewell City,
Wonderful for you,
Is our dear old Alma Mater
Of the Gold and Blue.
Open your hearts to hear her praises
and you'll never fail.
Hail to thee, our Alma Mater,
Hopewell High School, hail."

Hopewell High School

With September comes the beginning of a new school year along with a new addition to H.H.S., the eighth-graders.

The first football game of the season set a spark of school spirit glowing in the hearts of each and every student.



Everyone warmly welcomed our new foreign exchange student from Austria Michael Teutsch, a most friendly and likeable boy.

Janet Frazier, along with twenty others, was tapped into Honor Society membership this year.

The "spirit" really moved Kathy Burge and Eleanor Hening at our annual bonfire on the Thursday preceding the Petersburg game.

Everyone was proud to receive and wear their new rings, the symbol of "seniorship", at the 1963 Senior Ring Dance.

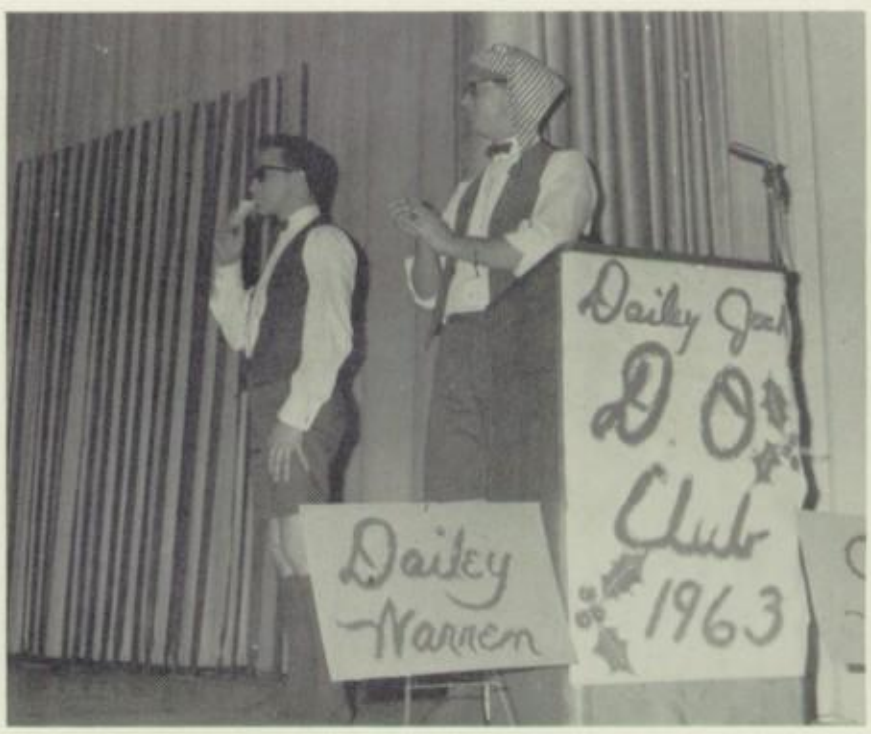
Guess who? Among those represented at the Drama Guild Halloween Ball were farmers, devils, and raving beauties.

While celebrating our victory over Thomas Jefferson with music and dancing, these students took time to pose at the annual Homecoming Dance.

We paid tribute to our late president, John Fitzgerald Kennedy.

Mr. Utleye captured the student body's attention with his gratifying speech at the Thanksgiving Assembly.

Mr. Deans awarded letters and trophies to members of the football team. Although plagued with injuries throughout the season, the Blue Devils emerged victorious.



This year the Rock and Roll Show proved to be a huge success with many new and old songs being performed.

Every homeroom participated in making a better Christmas for needy families by filling baskets with food.

Seniors lifted their voices to ring out Christmas cheer as they caroled through the halls.

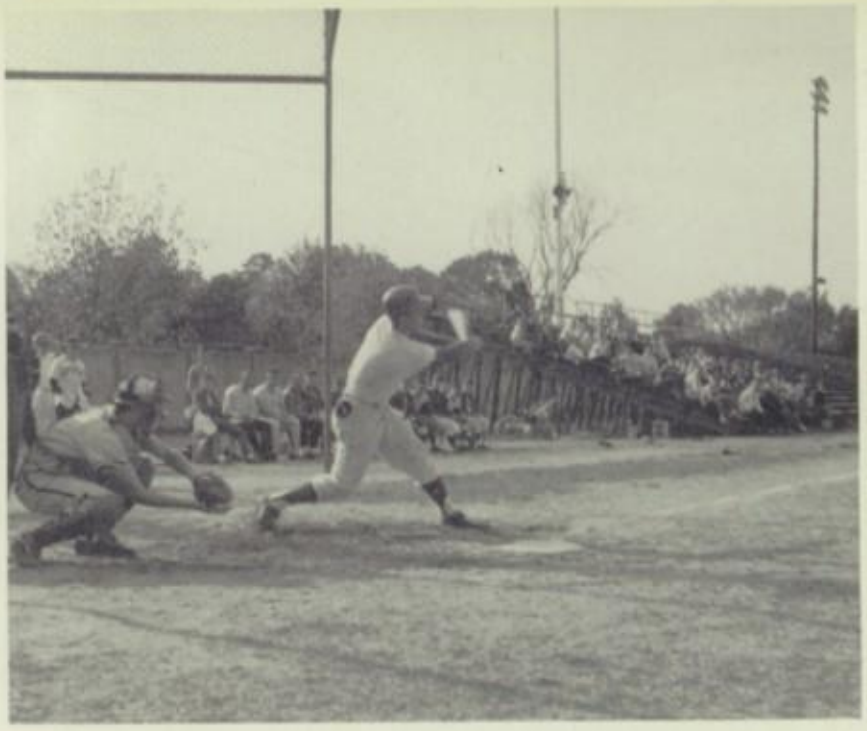
After an exciting and tense game, the Crimson Waves became the victims of the Devils first victory.

Students cramming at crammed cafeteria tables were a familiar sight prior to exams.

Bev and Wayne just wouldn't wait to find a big enough mailbox in which they could mail the final copy of the 1964 Kaleidoscope.

Many days of strenous exercise and practice kept the Blue Devil cindermen in tip-top shape.

The Science Fair sponsored by the Kiwanis Club was a huge success this year for many interesting and amazing projects were exhibited.



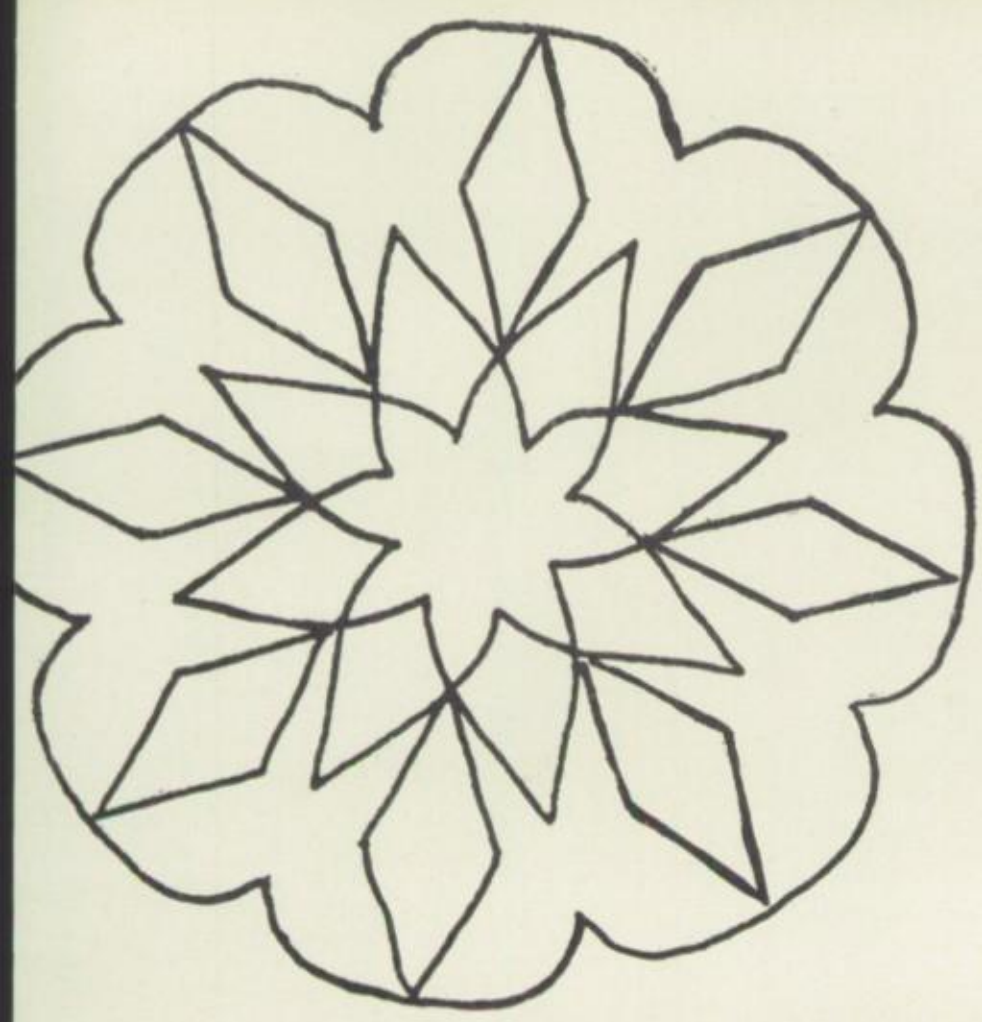
With the coming of spring came the awaited baseball games. Our dedicated team gave us much to be proud of by the end of their winning season.

Our Junior-Senior Prom was truly an enjoyable and happy night, filled with special memories for all.

Our Senior Signing Party was the last time to capture the thoughts of feelings of friends in our class.

"To go home or not to go home." By the looks on their faces, these pupils seemed to answer that question after receiving report cards for the last time.

With June comes the end of another school year, gone quickly for some but remembered by all.



Administration and Faculty

Just as the captain of "The Good Ship Hopewell" led his crew on that fateful voyage, our administration and faculty lead us in our quest for knowledge. The guidance of the ship was vested in capable hands; likewise our leaders are well qualified to pilot us on our voyage. The sea of life is filled with many pitfalls; through superb guidance by our faculty, we will be better equipped to deal with what the future may bring.

Department

Of primary importance in our world today is a complete and comprehensive knowledge of the English language. Our students are confronted not only with the fundamentals of spoken English but also with the art of creative writing. Through the efforts of our competent English Department, our students are given an insight into the intriguing realms of prose and poetry.

In the fast moving world of automation, it is becoming increasingly important to have a working knowledge of the science of mathematics. The fundamentals of algebra, the geometric computations, and the trigometric functions which seem to be of little use today will, nevertheless, be applicable to the problems of our future.

The study of the Romance languages furnishes a background for the better understanding of our own English language. Not only do they supply this foundation; but they also give an insight into the customs, way of life, geography and history of foreign lands. A language major has little difficulty in finding a place in the world today.

Art Department

The Art Department of HHS under the able direction of Mrs. Verona Hecht, has gone far in the past few years, gaining new equipment besides extending the course to three years. Mrs. Hecht and her art students have perhaps done more to beautify our school than any other group. She is never unwilling to lend a helping hand or give advice on such projects as the Junior Beauty Contest or the Junior-Senior Prom.

In the Physical Education classes, girls are taught outdoor sports such as hockey, soccer, badminton, and archery; indoor activities including bowling, table tennis, shuffle board, tether ball, and darts. The girls also receve instruction in driver education and first aid. A study of the functions of the body systems and a special study on tobacco, alcohol, and drugs is offered.

Physical Education Department

To attain and maintain physical fitness is the prime objective of the Physical Education Department. Through athletic activities and classroom study we learn the aspects of practical physical fitness and gain an understanding of such useful arts as first aid, driver education, and good health.

Classes

The crew of this "Good Ship Hopewell" was filled with anxieties about this strange new world. H. H. S. is also a strange and new world to each year's newcomers, who must—much like our founding fathers—adjust to a different life. Kaleidoscoping this new life, we see the rush of changing classes, the crowded cafeteria, added activities, and many new friends.

The Sophomore Executive Committee

Kneeling: Janas Hendricks, Butch Aultman, John Letchworth, Susan Patterson. **Standing:** Frank Letchworth, Maureen Connaughton, Bill Kapsidelis, Dicky Gill, Lynn Meadows, Joyce Buchannan, and Patsy Peach.

This year was the first time we could organize into a class. We entered into the idea enthusiastically by spirited campaigns to elect the people who were to make our class activities such as the homecoming float and sophomore dance a large success. We no longer were thought of as the underclassmen and looked forward to the rest of our high school life with hope.

MANY THINGS TO PLAN FOR

Funloving Freshmen

Freshman Presidents

Front: Dee Dee Atwater, Clement Halupka, Charleen Nobles, Patricia Smith. **Back:** Lynn Carelock, Brad Nicholson, Keith Marks.

We're Freshmen and we're IN!! Somehow we made it through that year as "little eighth graders" and returned this fall—no longer the youngest—to old friends, new fun, and plenty of hard work. We're no longer afraid to participate in all school activities. This year we are the J.V. players and cheerleaders, the majorettes and band members, and the club members and committee chairmen. We, along with the eighth grade class, entered a float in the Homecoming parade—a preview of what we will do in our future years at Hopewell High.

High School At Last

Eighth Grade Presidents

Kneeling: Steve Switzer, Mike Stefanic, Butch Parson; **First Row:** Pudgy Buffo, Linda Allman, Beverly Dunbar, Paige Watko; **Second Row:** Major Jones, Dwight Lee, David Ellis, Jerry Glazebrook, Preston Ridout.

As we entered Hopewell High School, the eighth grade brought rewarding work and unforgettable joys as the goal of reaching high school became a reality. We were pushed and shoved through the corridors, more often lost than not, but in spite of the exalted upperclassmen, we soon knew that we were at last a part of H.H.S.

Athletics

As we look back over the past year, perhaps the most outstanding memories are afforded by athletic activities. How can we forget: that rainy night in the bleachers, Homecoming—the climax of football season, that winning basket at the final whistle, the rush to offer congratulations for a game well played, the track star's straining to run a little faster or jump a little higher, and the thrill of hearing "strike three."

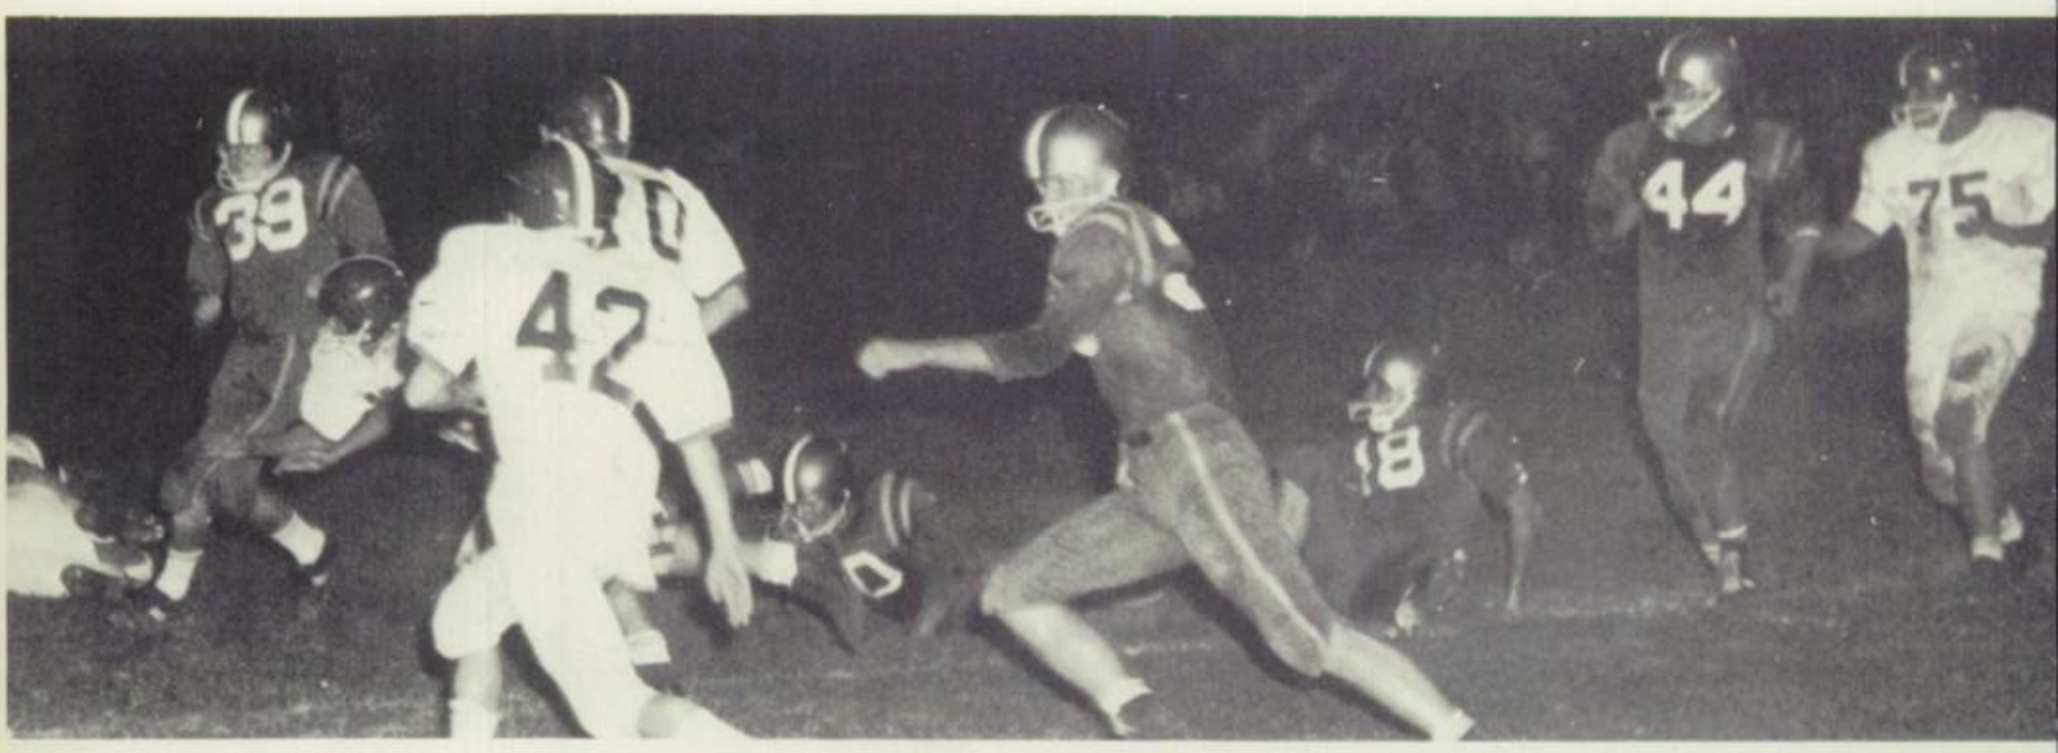
Sept. 13—HHS 0 - Highland-Springs 0—Halfback Freeman is tackled after gaining seven yards. Lineman Letchworth rushes in to help.

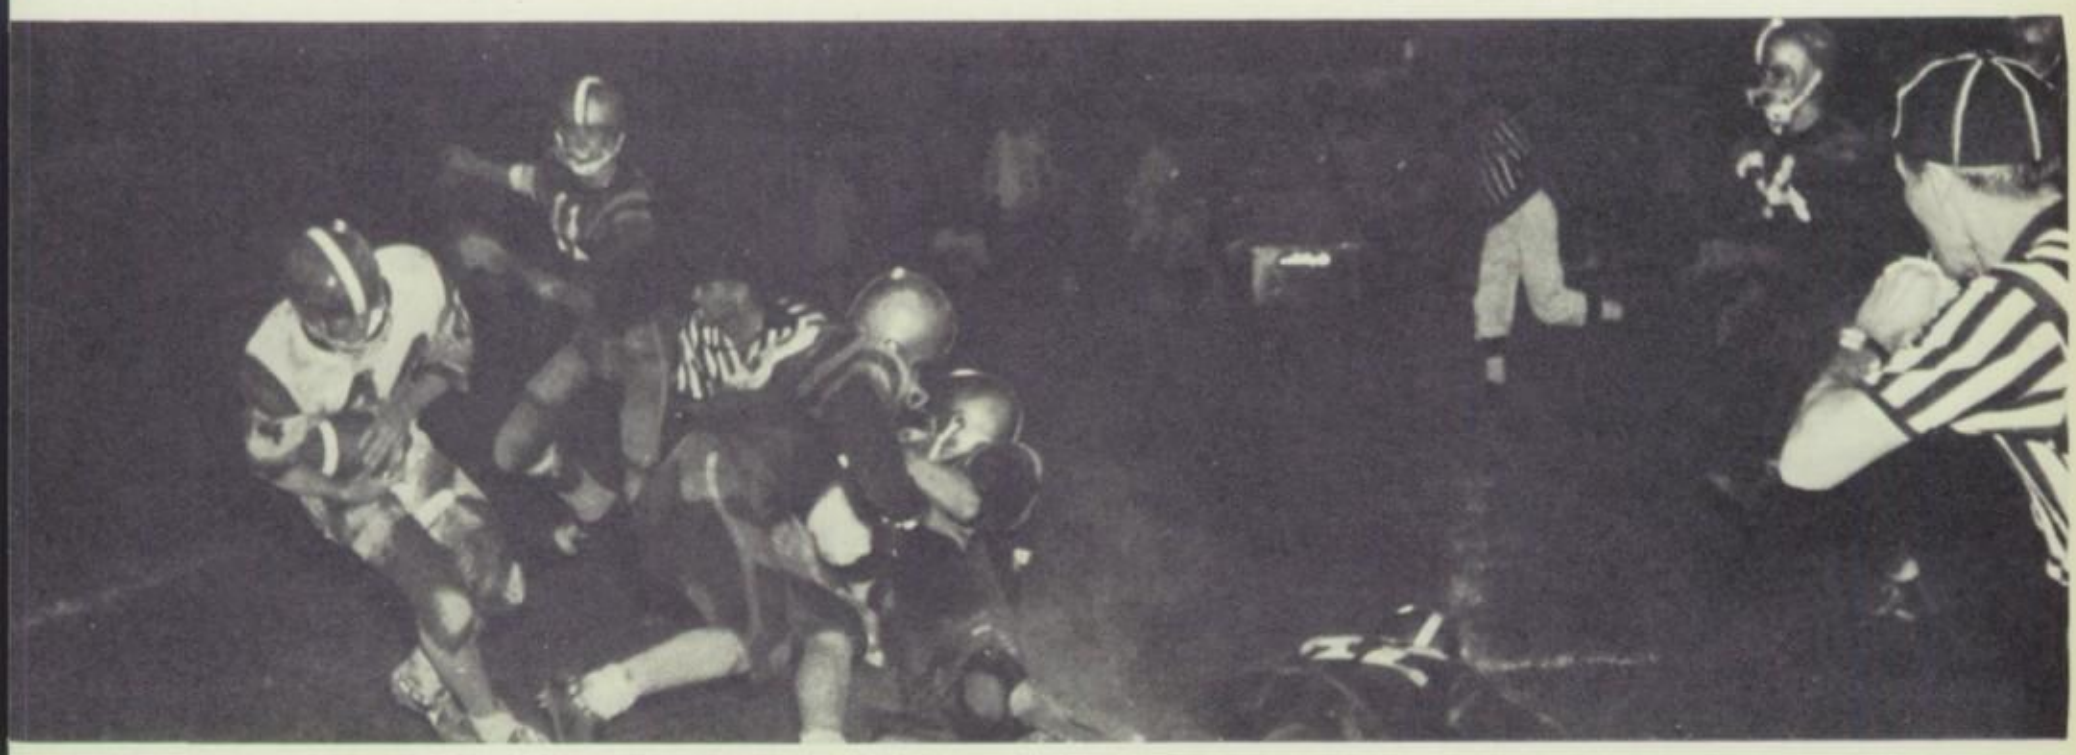
Sept. 20—HHS 6 - Thomas Dale 13—Temple tackles as Miller, Thompson, and Mitchem rush to the action.



Sept. 27—HHS 27 - Prince George 0—Seen in the Devil action are Freeman, Rackley, Thompson, and Minor.

Oct. 4—HHS 29 - Hermitage 14—Bell, O'Connor, and Murdock struggle for the ball.

Oct. 11—HHS 13 - Petersburg 20—Fullback Rackley carries the ball as Bell, Letchworth, and Tadlock guard the way.



Oct. 18—HHS 7 - Lane 20—Rackley tackles as Miller and Full run for the ball.

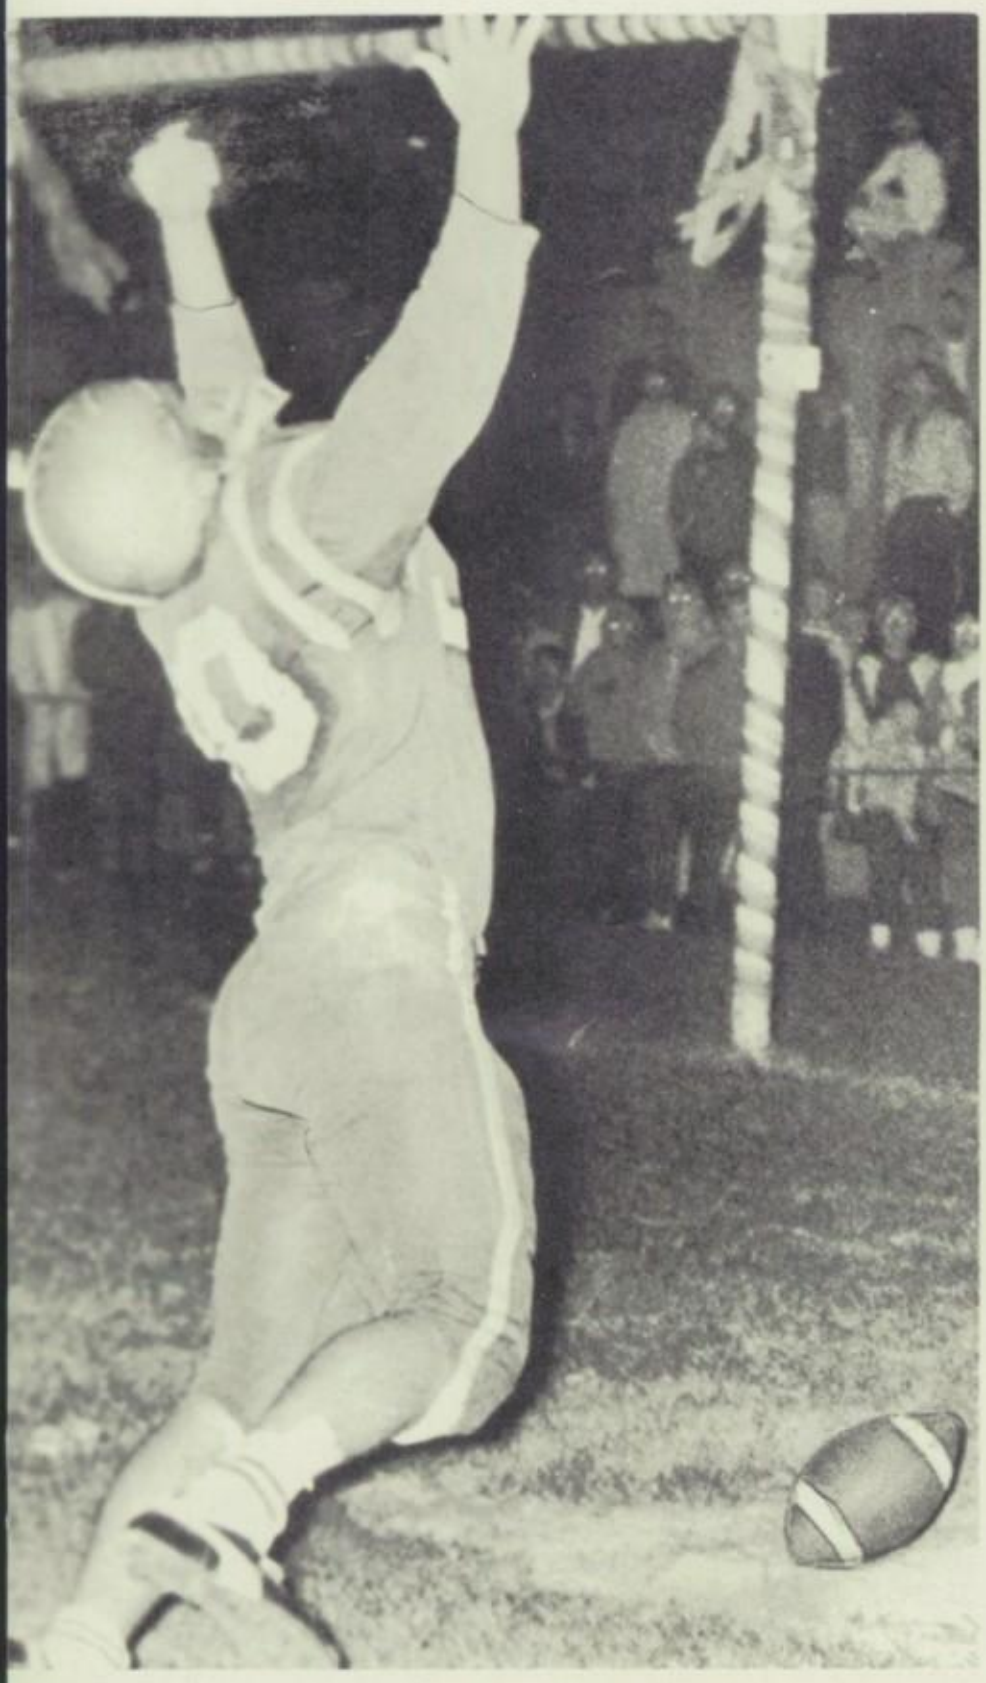
Spirit Of The Devils

Oct. 25—**HHS 12 - George Wythe 28**—Murdock pulls a player out of bounds as Leroy Blevins comes up behind.

Nov. 15—HHS 33 - Colonial Heights 6—Tony Powroznick is being brought down at the Colonials 6 yard line after scampering 35 yards.

The Blue Devil team of 1963 deserves much credit for their fighting spirit. Against all odds the Devils fought back in every game, week after week. Of the few games that were lost, the Blue Devils were not beaten by anyone. This year was disappointing to many people as much was expected of the Devils. However no one was more disappointed than the team itself. To account for this, many of the experienced boys that were to form the nucleus for this year's team were injured. In fact, seven of the returning players that were expected to be in the starting line up did not play at all or very little due to injuries. The amazing quality of this year's team is the fact that they improved from week to week. With a break here or there, they could have very easily won the games that they lost. The best offensive show of the year was displayed in the John Marshall game. Despite the pouring rain throughout the contest, the Devils passed, ran, blocked, and tackled like champions. The Thomas Jefferson victory 14-13 was the best win of the season. The Devils came from behind twice to defeat a rugged and fine football team. The Devils fought all the way and got the job done when it counted most.

The Mighty Number "30"



Bobby is shown reaching for the ball in the Thomas Dale game, but the pass was missed.

Bobby on crutches, after being operated on for torn cartilage and ligaments in his knee avidly watches the game with "I wish I could help", look on his face.

A clear tackle, a little extra effort and a painful groan—thus ended the high school football playing career for one of the best backs ever to grow up in Hopewell's football program. Bobby wore the three and the zero as a defensive halfback in 1960 and as the Devils starting fullback in 1961 and 1962. Injury had by-passed the hustling Bobby over his first three years of football but he never really got started this season as he was hurt slightly before the season ever started. It was known from the time Bobby hit the ground that Friday night and failed to quickly jump to his feet that he was seriously hurt. Bobby was 100 percent football and lived just to play the game, but he ended his career as a Blue Devil doing what he loved to do, carrying the pigskin.

Outstanding Players

Lettermen In Action

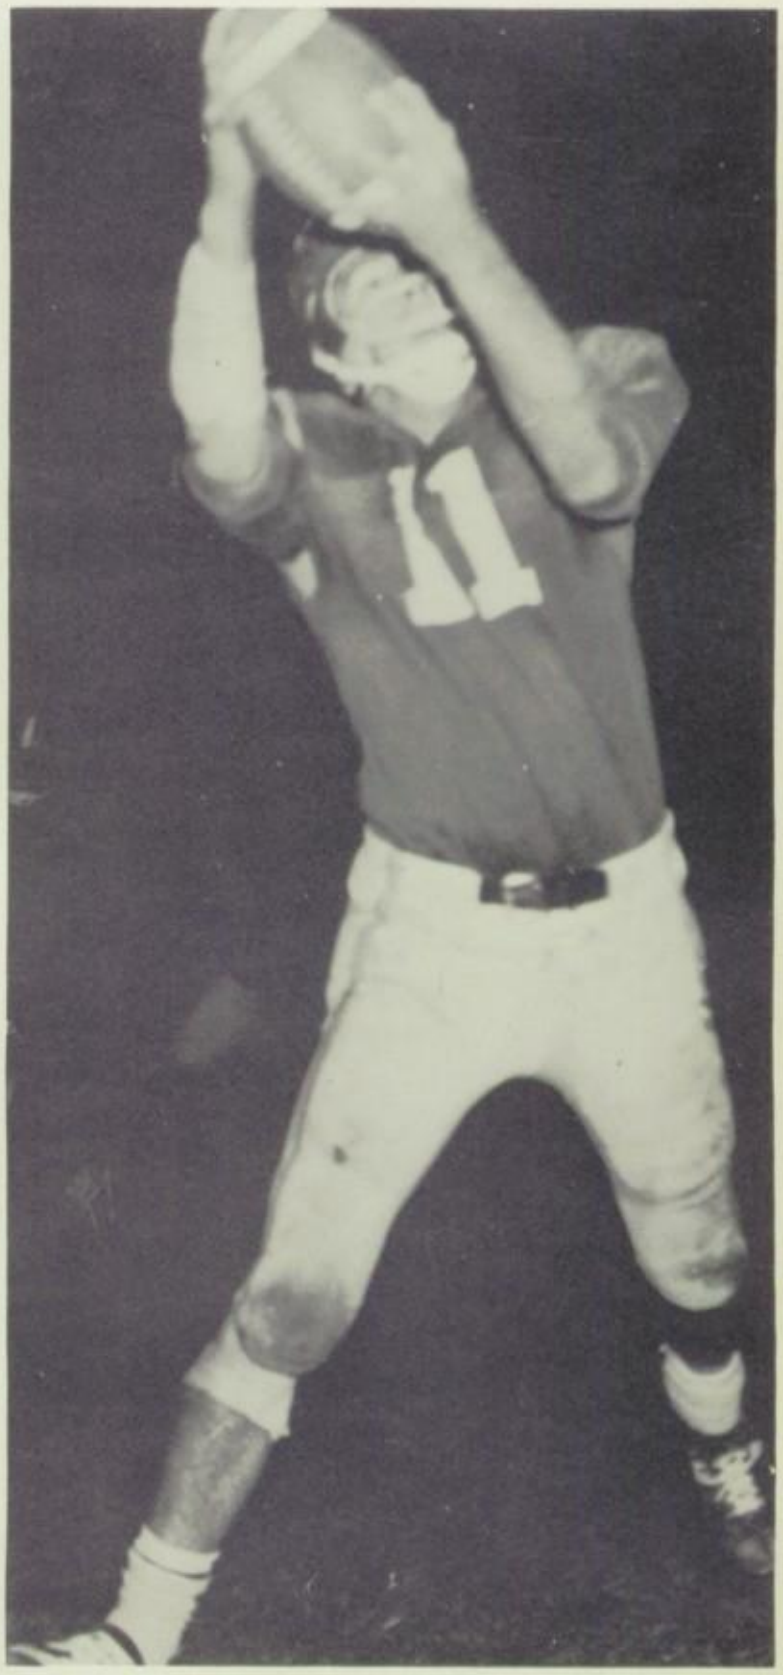
Quarterback Butch Seymour at HHS—Hermitage game.

Tackle Paul Schultz trails a player at the HHS—Prince George game.

Dave Rackley, who previously received the top lineman award, hustles with the ball at the Thomas Dale game.

OUTSTANDING LETTERMEN

Leroy Blevins (10), Marshall Murdock (41), Gary Full (43), Paul Schultz (38), Butch Seymour (14), Dave Rackley (18), Tony Powroznick (35), Charles Tadlock (27), Dave O'Connor (29), Ross Miller (11). Al Glass was absent when the picture was made.



End Ross Miller makes a fine catch at the HHS - Lane game. He served as Honorary Captain after Franklin's injury.

End David O'Connor rushes to the action at the George Wythe game.

The purpose of the Varsity Cheerleaders and the Devils is to promote the spirit at athletic events and pep rallies. Their continuous enthusiasm was evident through the many posters, "run throughs," and singing in the cafeteria. The cheerleaders should be recognized for their hard work, their loyal devotion to our teams, and the accomplishment of their purpose—promoting school spirit.

"B" Team this year had a real strong defense and a strong offense considering the time of practice. Several of the boys moved up and played with the Varsity. Several of the boys will definitely play on Varsity next year. The "B" team's best game of the season was the victory of 18-0 over Colonial Heights.

Head cheerleaders Becky Beach and Carol Titterington, who are serving their second year as J.V. cheerleaders, pose with their sponsor, Mrs. Jackie Simmons.

Our Junior Varsity Cheerleaders certainly provided pep and enthusiasm for all the J.V. games. The J.V.'s, who were chosen by a teacher committee at the beginning of school, had to work perfecting cheers and getting uniforms in order to be ready for the football season. They also assisted the Varsity cheerleaders by cheering in the stands at football and basketball games. Just as we look forward to the J.V. teams as the future Varsity, so we look forward to enthusiastic promoters of school spirit from the present J. V. cheerleaders.

Blue Devils

David O'Connor, Dennis Loughridge, Al Glass, Ricky Barnes, Maurice Coury, Bobby McGuire.

"Steal it, Steal it," and "We want a basket" were the cries of our Blue Devil fans as the 1964 Basketball season came into full swing.

The Blue Devil Varsity Basketball squad consisted of only four returning lettermen. This year's team is mostly made up of young and inexperienced players. Three out of the five starters played "B" Team basketball last year. The main disadvantage is the lack of height, but the boys try to counteract this by speed, enthusiasm, precision in shooting and ball control. Throughout the season they have shown the very best quality of sportsmnaship. This contributed to the victories over many of the top teams in the district. As the season progressed, each team member looked with envy at the coveted District and State championships.

The team didn't have one great star player, but all of the boys knew their job and did it well. Through a team effort each boy played the hardest he could to come out victorious for Hopewell High.

This was the first year for Coach Jack Stallard as the Varsity Track coach. He was assisted by Coach Bill Deans. There was a fine group of hard working boys composing the 1963 Track team. They were especially strong in distance although they lacked some of the depth that was needed. They improved in field events, and there were some particularly outstanding track members in the mile and high jump. They also worked well in the shot put and broad jump. In all, they won most of their meets and broke three previously set records.

Track has become a more important sport at Hopewell High School due to the fine record made by the boys. With the continued enthusiasm and participation within the team, we look forward to even better track teams in the future.

Coaches Jack Stallard and Bill Deans review the records with Co-Captains Freddie McCullen and Donnie McGuire.

The Girl's Junior Varsity squad has been a young team this year with five of the regular players being in the eighth grade and only two experienced sophomores. Under these circumstances, this has been strictly a learning season. With the knowledge they have gained and a year of experience behind them, we can expect big things from these girls next year.

Girls' Varsity Basketball

First Row: Diane Podlewski, Kerry Hagen, Sandra Foxworth, Karen Meadows
Second Row: Judy Porter, Debbie Corey, Linda Baker, Ann Youngblood, Judy Lawson, Linda Acock, Thelma Watko, Mary Etta Eyler.

The Girls' Varsity Basketball Team had only 2 starting Seniors and 4 Juniors this year, but most of these had had experience. Returning lettermen were Kerry Hagen, Sandra Foxworth, Linda Baker, Mary Etta Eyler and Judy Lawson. The team worked well together and was enthusiastic, the best ingredients for a good season. Under the able leadership of the 2 Co-Captains, Kerry and Sandra, and Coach Webb, the Devilettes of 1964 showed great promise for a winning season.

Miss Webb is also coaching the Girls' Junior Varsity Basketball Team. This team, composed of Sophomores and Freshmen, seemed to be an older group this year. Learning the fundamentals of teamwork and sportsmanship, the girls will some day play as our future Varsity team. Experience as a J. V. is always conducive to a good Varsity player.

Last year's softball team won only four out of ten games. This is partly due to lack of experience since there was not a senior on the team. Coach Delores Webb is looking forward to a stronger and more experienced team next year with the prospect of having all players returning.

Organizations

Now we focus our attention on organizations. Through these clubs we build strength of character, and continue our learning in such important fields as science and languages. We also have occasions to further our friendships through the social functions of these organizations.

Tri-Hi-Y

Members of the Tri-Hi-Y work hard to prepare an attractive bulletin board.

Organized with the purpose of creating, maintaining, and extending through the home, school, and community, high standards of Christian character, the Kappa Lambda Chapter of the Tri-Hi-Y accomplishes this purpose by various projects. The club, consisting of junior and senior girls, has such projects as; a trip to the Crippled Children's Hospital in Richmond to entertain the children, giving devotions over the public address system each Monday morning, and baby-sitting at PTSA meetings. They are also responsible for posting a "thought for the week" in each home room and exchanging the Friendship Trophy with Petersburg High School every year at the Hopewell-Petersburg football game. Members of this club are selected from those applications which are submitted.

Junior Tri-Hi-Y

The Junior Tri-Hi-Y is the Tri-Hi-Y for girls n their freshman and sophomore years. The mem-ers are selected from those who submit appli-cations. Although their purpose and platform are the same as their older sister organization, the Junior Tri-Hi-Y serves their school and com-munity in several different ways. In the Hopewell area, the girls do volunteer work for Central State Hospital, make favors for the hospital, prepare a basket for the Welfare Department, and aid the SPCA. They are active in the school community by placing blessings on the cafeteria tables, pre-paring various displays, and presenting the teach-ers with flowers and small favors. Teas, ban-quets, picnics, and soc hops are among the en-joyable projects sponsored by this organization.

The purpose of the Future Teachers of America Club is to acquaint the pupil with the opportunities, satisfactions, and obligations of one in the teaching profession. All those interested in this profession or in exploring the possibilities of this career are acceptable for membership. In accomplishing their purpose, the members teach classes in the absence of the instructors and aid teachers in other classwork. Tutoring fellow classmates also comes under the jurisdiction of the FTA. This past year, the organization observed National Education Week by presenting the teachers with an "apple for the teacher" and by performing a skit for the Hopewell Education Association. Another special opportunity offered to prospective teachers who are seniors, is the visit to elementary schools to observe or teach for a day.

A skit portraying the development of education in the Hopewell area is presented by the FTA at the Hopewell Education Association meeting.

Members of the Girls' Monogram Club participate in a fun-filled bike hike.

All girls who have earned a school letter in a varsity sport— hockey, basketball, or softball — or in cheerleading may belong to the Girls' Monogram Club. Each year the club awards a trophy to the outstanding junior or senior sportswomen in the three girls' sports. At Class Night a bracelet is presented to the girl who best personifies all-around sportsmanship. This girl is chosen by the faculty from the ten candidates voted upon by the Monogram Club. The fun-filled game in which the faculty plays the girls' basketball team is sponored by this group of girls. This past year, the organization began the practice of having a dinner for the parents of the participants of a varsity sport after the season was completed.

When a boy has lettered in one or more varsity sport —football, basketball, baseball, or track— he becomes eligible for membership in the Boys' Monogram Club. Having shown his ability in a school sport, a boy strives to uphold the goals of good citizenship and sportsmanship through his athletic ability. Led by Mr. Deans, the sponsor, the club strives to knit the boys into a closer union of comradeship and to better the school in many ways. Having worked hard to earn their letters by completing the requirements set by the high school, the boys wear them with pride on their sweaters and jackets. Each year at the close of the football season the Boy's Monogram Club presents the Most Valuable Player Award to a member of the team, chosen by his teammates.

Several D.O. students decorate for the Rhythm and Blues Show.

The purpose and objectives of the D.O. program are to train the student in the profession or occupation of his or her choice. The experience gained on the job and the required work in the classroom prepare the Diversified Occupations Trainee for the type of work chosen and also encourages higher education and further study either in college or in the apprenticeship field. Having the largest program in the state of Virginia, this organization is understandably one of the most outstanding and active clubs at Hopewell High School. They have been awarded many honors on both the state and district levels for their efforts. One of their many projects is the annual D.O. Club Rhythm and Blues Show held during the Christmas season.

The D.E. Club is composed of students who are enrolled in the Distributive Education Department, a cooperative program in which the students have part time jobs involving the selection and distribution of business products. The purpose of this club is to help young people develop their leadership ability and to impress the importance of the individual and of co-operation upon its members. The D.E. Club began a project this year which all the students enjoy, the D.E. "Sugar Shack." Members of the D.E. are kept busy each morning selling hot chocolate and doughnuts to the students in the cafeteria. Delegates from the club attended the state convention in Roanoke and the national convention in Chicago. On the basis of the number of activity points they have earned, the club has placed among the top 12 out of 144 clubs in Virginia for the last two years.

Science Club

Mr. Bannerman and a few students demonstrate the use of a Tesla Coil.

The science-minded students of Hopewell High School find that the Science Club provides an outlet for their interests in several fields of science. During the year, films are shown and speakers are invited to speak to the club about many phases of science. Often the students see unusual and interesting experiments performed by the sponsor, Mr. Bannerman, or participate in the experiments themselves. Tours through local plants may be arranged to acquaint the students with science in action in their own community. The programs may serve as an inspiration for a project for the Science Fair, an event in which all science students must participate. This opportunity to excel in science aids those who seek to make their life's work in the technological fields of science.

Drama Guild

The Drama Guild of Hopewell High School offers students the opportunity to explore the field of dramatics and to learn the intricate workings of a full scale production. Lighting, make-up, stage direction, costumes, and scenery are as integral a part of the production as the acting. The pupils get instruction in all of these. This past year, the club sponsored a bus trip to the presentation of "The King and I" at the Virginia Museum in Richmond and also held the Halloween Ball in October. As for dramatic activity, the students presented a Christmas play for the Parent Teacher Student Association and a major production in the spring. Membership in the Drama Club is open to all who desire the fun and fellowship of working in the field of drama.

The French Circle draws its members from the students who take French and have a special interest not only in the language but in the customs and dress of the French people. The club provides the opportunity to its members to learn more about these subjects through their bi-monthly meetings. Their programs include films of France, guest speakers who are authorities on subjects pertaining to their interest, and occasionally the members themselves present a program. The programs given by the members involve research done by one or more of them which is presented to the club. Dues are paid each semester to allow the club to have worth-while projects and to contribute to the work of the French Club in years to come.

The Latin Forum welcomes all Latin students and others interested in Latin into its membership. Although Latin is often called the "dead" language, this club proves that it is actually quite alive and interesting. Inviting guest speakers to address the club on how Latin affects modern life is one means of accomplishing this objective. At several of their monthly meetings, the members themselves present programs on the ancient Roman way of life. The annual Latin Forum Banquet has become the climax of the year. An empress and emperor are chosen to preside over the banquet by dint of their efforts to costume themselves authentically. The Latin Forum affords its members the opportunity to acquire a better understanding of the present through a better understanding of the past.

Members of the Latin Club "do as the Romans" and learn about Roman dress at the same time.

Spanish Club

Spanish projects are displayed to the Spanish Club.

Students of *éspanol* learn of the country of Spain and of the peoples who embrace that language through active participation in the Spanish Club. In order to gain this knowledge, the club viewed several films and enjoyed reports by members who had carefully prepared them. One interesting program was an address by a student from Cuba about his country and the difference between their way of life and that of America. The Spanish Club also joined with the other mems of the language department to construct a float for entrance in the Homecoming Parade. Seasonal parties, fellowship with other Spanish-speaking students, and various Spanish games played in that language provide fun for the Spanish Club members at their monthly meetings.

Activities

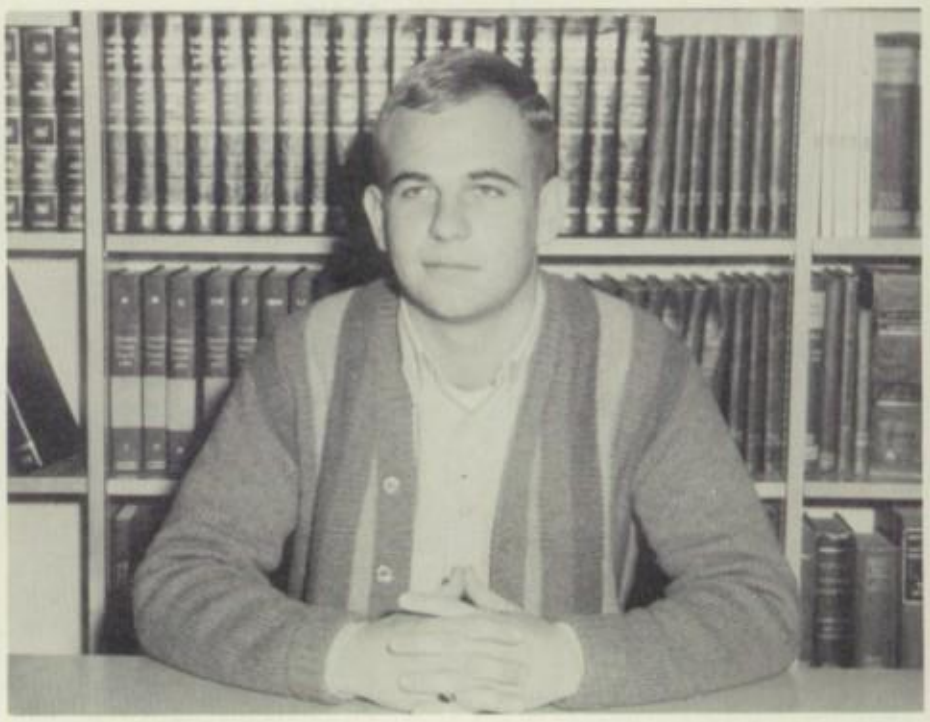
The Kaleidoscopic design widens as we include our school's activities. These activities offer us an opportunity to develop and exhibit our talents. Viewing activities, we see many hours of hard work and practice, which bring a sense of accomplishment and a desire to continue our efforts.

Activities Editor: Olivia Johnson
Activities Editor: Diane Letchworth
Assistant: Janet Frazier

Wayne Cerny and Beverley Gilliam, Co-Editors, and Eleanor Hening, Business Manager, are in charge of the editorial and business aspects of the KALEIDOSCOPE.

The KALEIDOSCOPE STAFF of Hopewell High School is composed of twenty-four outstanding junior and senior students who are selected by the Publications Committee. This committee consists of the sponsor of the KALEIDOSCOPE, the Principal, Assistant Principal, Dean of Boys, the Co-Editors, and the Business Manager. Staff members are chosen on the basis of scholarship, general attitude, and good all-around school citizenship.

The FACULTY and SENIOR SECTION are compiled by Wayne Cerny and Beverley Gilliam, Co-Editors of the KALEIDOSCOPE with their junior assistant Jan Nicholson.



PHOTOGRAPHERS for the KALEIDOSCOPE STAFF, who are responsible for taking pictures for the different sections, is Jimmy Slagle and his junior assistant Jimmy Williams. Jimmy Williams was not able to be present when the picture was taken.

The SPORTS SECTION is compiled by Hilda Elliot and Kathy Burge. Nancy Rogers is their junior assistant.

Margie Morton and Margaret Perry are in charge of the ORGANIZATIONS SECTION of our KALEIDOSCOPE. Mary Etta Eyler is their junior assistant.

Staff

To be a member of the KALEIDOSCOPE STAFF is a great honor. It involves quite a bit of work. In the summer each member solicits ads and gets boosters. During the year, he sells the yearbooks, assists in taking underclass pictures, collects the money for these pictures, and distributes annuals in the spring. He also helps to compile a section in the KALEIDOSCOPE. This includes planning the section, taking the pictures, and writing the copy.

Without the guidance and assistance of our beloved sponsor Mr. Mal M. Utleye, the publication of the KALEIDOSCOPE would not be possible.

CLASS EDITORS of our KALEIDOSCOPE are Pat Ward and Becky Saleeby. Their junior assistants are Diane Podlewski and Douglas Franks.

The ACTIVITIES SECTION is prepared by Diane Letchworth and Olivia Johnson. Janet Frazier is their junior assistant.

EATURES EDITORS for the KALEIDOSCOPE are renda Honeycutt, who was unable to be present when e picture was taken, and Dee Elder. Phyliss Spivey s their junior assistant.

Eleanor Hening, Business Manager and Diane Miller, Circulation Manager have charge of the financial details of the KALEIDOSCOPE and the ADS SECTION. Ellen Gilliam is their junior assistant.

The Student Co-operative Association is the main governmental body of our school. This organization is composed of representative from each homeroom, who meet each week to discuss the many facets which concern the running of our school. Representatives are elected each semester to attend the meetings held on Mondays. The officers serve the entire year. Under the leadership of our very capable president, Miss Kathy Burge, the SCA has made great strides toward the improvement of a more democratic scholastic government and many worthwhile projects have been adopted.

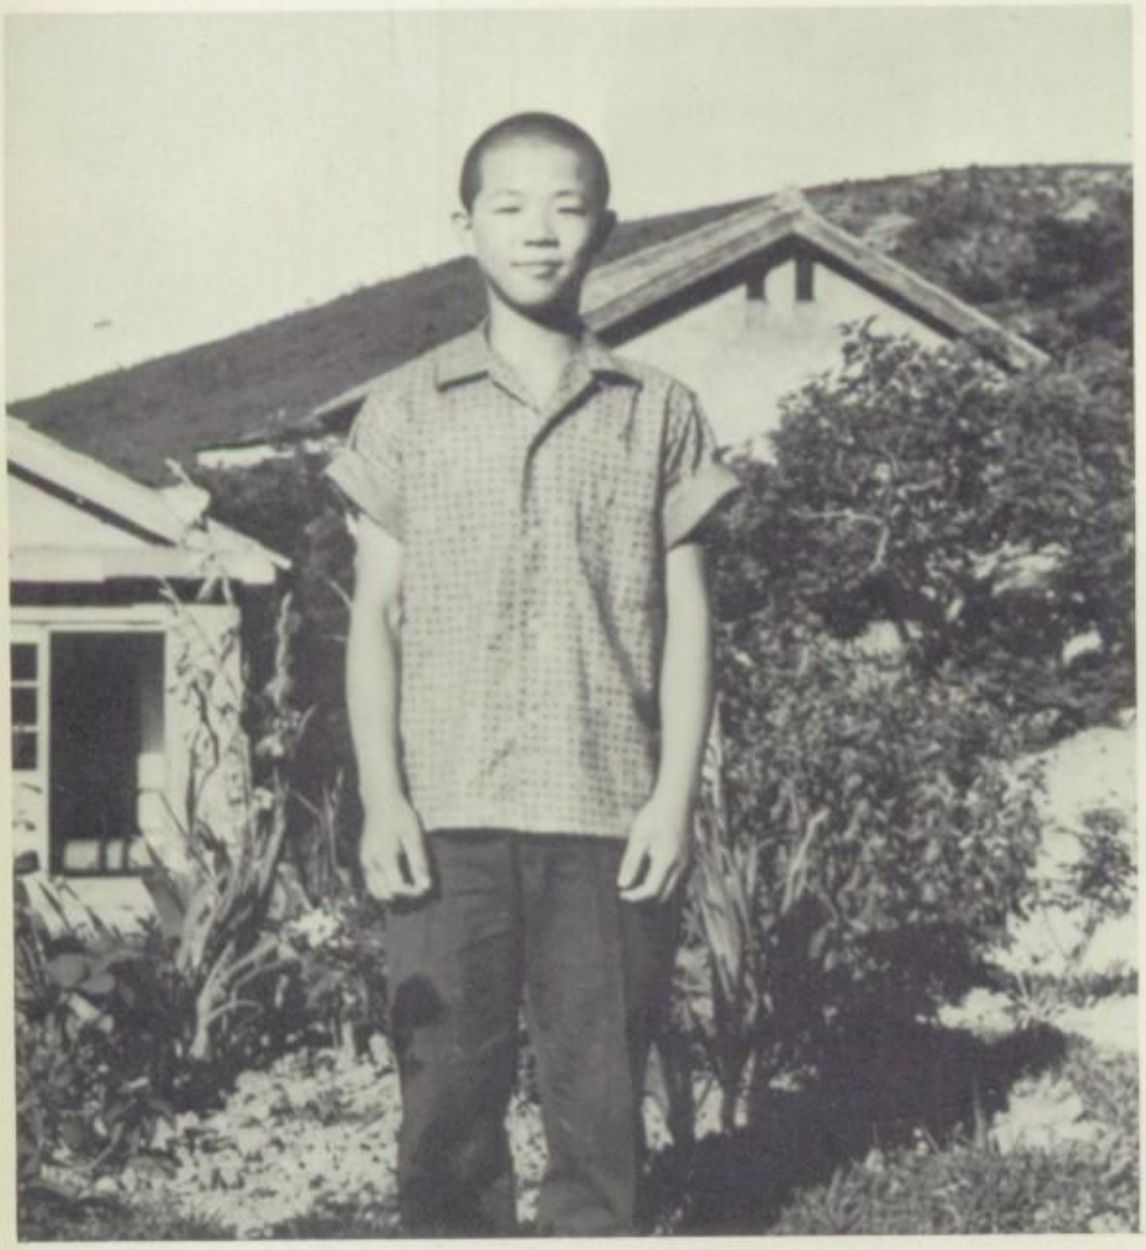
An SCA meeting in action

S. C. A. Projects

Twirp Week, an annual project of the S.C.A., is looked forward to by all students. One of the features of Twirp Week is dress-alike day.

A new project of this S.C.A. this year is the sale of school calendars.

Our Foster Son



The adoption of our foster son, Parke Ue Kill is one of the Hopewell High School Students' most rewarding undertakings. He is a very active boy of thirteen whose spirits are very high even though both of his parents were killed during the war. Everyone takes pride in him as we learn through his letters that he makes very high marks in all his subjects and is an outstanding member of his choir. Parke is liked by all and his wonderful sense of humor is cherished by all his friends. Another quality of our foster son is his ambition for future success for which the students of our school wish him happiness and fulfillment of his ambitions.

Foreign Exchange Student

Mike Teutsch was our Foreign Exchange Student.

This is the second year Hopewell High School has sponsored a foreign exchange student. Our student this year is Mike Teutsch from Vienna, Austria, who is sixteen years old. His father, Hans Riner Teutsch, is manager and owner of an import-export company and his mother works in a chemical and medical laboratory. Mike is here through the efforts of the American Field Service, Hopewell High School Student Government, the Hopewell Rotary Club and the family of Rev. and Mrs. Johnston, with whom he lives. Although our sports and activities were new and different to him, he took an active and enthusiastic part. He likes all subjects and most sports but especially likes skiing in winter and tennis and swimming in the summer. After his return home he will finish high school and hopes to attend the university. His presence at Hopewell High School has been a truly wonderful and rewarding experience, and we hope that he will always remember the many friends he has made at Hopewell High School, as we students will remember his friendship.

Mike quickly got into the swing of things at the Ring Dance.

A real "Blue Devil", Mike cheered his team on to victory.

Mr. H. George Taylor is the director of the Blue and Gold band.

Mr. F George Taylor, in the four years that he has been teaching at Hopewell High School, has built up the Blue and Gold Band from forty members to over one hundred members. He arranged the precision drill-team performances of the band which were presented under his direction. Much credit is due to Mr. Taylor for the time and effort he has spent in improving our band.

Mrs. Madeline Atkins is our choir director.

The Senior Choir, directed by Mrs. Madeline Atkins, has displayed outstanding musical talent in the programs it has put on for both the school and community. Besides participating in choir concerts enjoyed by all who have heard them, students are taught the principles of music and learn many famous choral numbers. The annual Christmas program in which the choir was accompanied by the band, is a highlight looked forward to by the many fans of the Hopewell High School Choir.

PRINTING COMPANY • Charlotte, N.C.

Hopewell is a wonderful blend of the old and the new. Its historic roots go back to 1607, a week before the settlement of Jamestown.

A small party under Captain Christopher Newport was sent up the James River to explore while the three ships were anchored near Hog Island. He landed at the Indian village of Apamatica, located on the bluff at the confluence of the Appomattox and the James.

Captain Newport, when he returned, urged that this site be selected for the permanent settlement and the land be purchased from the Indians. The Council decided otherwise, because of orders from the London Company, so they selected a site which they called Jamestown.

Old City Point, which is now a part of the City of Hopewell, was founded by Governor Sir Thomas Dale in 1613. Situated at the juncture of the James and Appomattox Rivers, City Point is the oldest English settlement in America that has been continuously occupied and played a prominent part in the history of the Colony, during the Revolution and in the Civil War.

The City Point area was so important in the early days that it had two representatives in the first Legislative Assembly ever held in America in 1619. They were Samuel Jordan and Samuel Sharp.

The first free school in America was projected at City Point in 1621 but was wiped out in the Indian Massacre of March, 1622. The first court set up outside of Jamestown was established at City Point in 1624. The oldest English Church still standing in America was built within five miles of City Point. It is Merchants Hope Church, finished in 1657. Standing serenely amid tall primeval pines, the exterior is the same today as it was 250 years ago.
